

DASSY® KALAMA (300522)

SOFTSHELL JACKET

The Kalama softshell jacket from the DASSY® Logix collection is a versatile essential for braving different weather conditions. The fabric is waterproof, windproof and breathable. The detachable hood can easily be adjusted to your needs, and the back panel is longer for extra protection from wind and rain. Cordura® reinforces the elbows, so you can enjoy your jacket for a long time. With a large inner pocket to store (logistics) documents. It also has fluorescent and reflective details. Not EN ISO 20471-certified.
