

DASSY® MADIDI (710067)

POLO SHIRT

Madidi is a modern zippered polo shirt with a concealed anti-theft pocket on the chest. The displaced seams help avoid friction and make it more comfortable to wear. This polo shirt is made of a blend of cotton and 45% recycled polyester designed with the brrr Triple Chill Effect technology. This technology uses cooling minerals, helps actively wick away moisture and ensures quick drying. Moreover, the polo shirt also has an antibacterial finish that prevents odours. This makes Madidi a must-have for summer! Seen in DASSY ViVid®.
