

DASSY® YALA (350134)

INSULATED BODYWARMER

'Multipurpose' is the best word to describe this modern body warmer. Wear it as a layer on top of your polo shirt or sweater or under your jacket for extra warmth. Yala is completely windproof. The adjustable hem with elastic drawcord closure ensures a completely snug fit. The elastic band at the armholes also ensures that no warmth is lost. Yala is also equipped with numerous interior and exterior pockets. This body warmer has a water-repellent finish and is made of 100% recycled polyester. Seen in DASSY ViVid®.
