

DASSY® LENOX (200818)

MULTINORM HIGH VISIBILITY WORK TROUSERS WITH KNEE POCKETS

DASSY® Safety Multinorm high visibility workwear offers versatile, multifunctional protection and meets the 6 most required standards for high visibility clothing, flame retardant protection, welding, antistatic properties, electric arc and chemicals. For instance, all clothing has the required surface of reflective and fluorescent material depending on the safety class, the workwear contains 1% Negastat® to avoid electrical static charge and all pockets have flaps or are placed under a specific angle to prevent sparks from falling into the pockets. Moreover, all metal components (e.g. snap fastenings, zippers) are concealed, both on the outside and inside, to avoid electrical or heat transfer.
