

DASSY® GRAVITY WOMEN (300473)

SOFTSHELL JACKET

DESCRIPTION

The DASSY® D-FX Flex Gravity Women shows excellent craft'woman'ship! This softshell jacket combines a waterproof, windproof and breathable fabric with mechanical stretch. This ensures that the nice and tailored fit follows the female's professional every move, without compromising on her freedom of movement. The warm fleece lining fabric offers maximal protection against wind and cold and the nylon Cordura® patches make the elbows extra wear-resistant. *The fabric is waterproof, not the garment itself.
