

DASSY® FUJI (710068)

T-SHIRT

A simple design but definitely not a basic T-shirt. It's all in the details: displaced seams to avoid friction, a lowered back panel for full coverage and a sophisticated fabric composition to fight perspiration. Fuji also prevents odours thanks to its antibacterial finish. Moreover, it is partially made of recycled polyester. Seen in DASSY ViVid®.

Product details

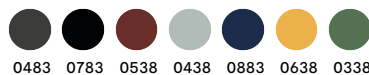

- reflective details
- round neck
- longer back
- suitable for embroidery and printing
- dropped seams for extra wearing comfort

Quality: PESPA 09

76% recycled polyester/24% polyamide , +/- 200 g/m²
