

DASSY® JUPITER S1P (10006)

LOWCUT SAFETY SHOE

The steel safety toecap of these S1P safety shoes protects your feet optimally against the impact of heavy objects. Moreover, the safety midsole prevents sharp objects like nails and pieces of broken glass from penetrating your foot soles. And the shock absorbing heels? They guarantee maximum wearing comfort all day long! Available while stocks last. Will be replaced by HORUS S3S FO SR ESD black.
