DASSY® NIORT (100333)

MULTINORM OVERALL WITH KNEE POCKETS

DASSY® Safety Multinorm workwear offers versatile, multifunctional protection and meets the 5 most required standards for flame retardant protection, welding, antistatic properties, electric arc and chemicals. For instance, all clothing contains 1% Negastat® to avoid electrical static charge and all pockets have flaps or are placed under a specific angle to prevent sparks from falling into the pockets. Moreover, all metal components (e.g. snap fastenings, zippers) are concealed, both on the outside and inside, to avoid electrical or heat transfer.
