

DASSY® COLOMBIA (400141)

MULTINORM HIGH VISIBILITY BRACE OVERALL WITH KNEE POCKETS

DESCRIPTION

DASSY® Safety Multinorm high visibility workwear offers versatile, multifunctional protection and meets the 6 most required standards for high visibility clothing, flame retardant protection, welding, antistatic properties, electric arc and chemicals. For instance, all clothing has the required surface of reflective and fluorescent material depending on the safety class, the workwear contains 1% Negastat® to avoid electrical static charge and all pockets have flaps or are placed under a specific angle to prevent sparks from falling into the pockets. Moreover, all metal components (e.g. snap fastenings, zippers) are concealed, both on the outside and inside, to avoid electrical or heat transfer. These brace overalls are also available in plus and minus lengths! Please note that we currently do not have all sizes of plus and minus lengths in stock. If your size is not available, please contact our customer service for more information about the estimated delivery time.
