

DASSY® MELBOURNE (200953)

STRETCH JEANS WITH HOLSTER POCKETS AND KNEE POCKETS

These holster pockets jeans make all the difference on the workfloor: their fabric is durable and reinforced with Cordura®, especially in those places that are particularly susceptible to wear out. What is more, for extra comfort, the DASSY® Melbourne contains a large portion of elastane and has Cordura® stretch knee pockets. Thanks to that extra stretch, these work jeans follow your every move. Finally, the adapted 'slim fit' guarantees an ultra-modern look. Seen by DASSY® Denim.
