STRETCH JEANS WITH HOLSTER POCKETS AND KNEE POCKETS

SUPER FLEX

DESCRIPTION

These holster pockets jeans make all the difference on the workfloor: their fabric is durable and reinforced with Cordura[®], especially in those places that are particularly susceptible to wear out. What is more, for extra comfort, the DASSY[®] Melbourne contains a large portion of elastane and has Cordura[®] stretch knee pockets. Thanks to that extra stretch, these work jeans follow your every move. Finally, the adapted 'slim fit' guarantees an ultra-modern look. Seen by DASSY[®] Denim.
